Dear Valued Members,

I am thrilled to announce that Holy Rosary Credit Union is embarking on an exciting journey of refreshing our look. Our new logo and messaging will reflect the values that have always guided us: putting people first, being community driven, providing flexible service, and doing things right. It is a celebration of our history and a promise for the future.

Since 1962, HRCU has been more than just a financial institution; we have been a steadfast partner in your financial journeys, a friendly face in times of need, and a pillar of support within our community. While we are moving forward with a new look and natural evolution, we will continue to uphold the vital mission of neighbors helping neighbors.

You will notice changes to our logo, website, online banking, branch designs, and advertising, all thoughtfully crafted to reflect a new and fresh identity. We will continue to offer the same great products and services, with the same friendly and personal touch. Our new look is not just a transformation in appearance but a reaffirmation of our pledge to serve you with excellence and care.

Thank you for your continued trust and loyalty as members, as it is never taken for granted. We are excited to embark on this new chapter together in the coming weeks.

I encourage you to visit our website at www.hrcu.org/newlook to learn more.

Sincerely,

Brian Hughes
